- d) Number of seeds on one sunflower head**

What word best captures your program's use of HMRF data to support program operations, monitoring, and improvement over the course of your grant?

Most common words reported by grant staff were accountability, impactful, and efficient

What's your pro tip for using HMRF data? (1)

Pivot table

Enter info accurately

Utilize the help desk

Making digestible infographics

Copy and paste from a Word doc

Double check

Use regularly

Sharing regularly with team

Replicate data elements into Excel for ease of analysis

Use operational reports

Use a data dictionary

Have weekly team meetings on nForm

What's your pro tip for using HMRF data? (2)

Have the reference guide handy

Use Excel and use the “sort” and “filter” tools to use data

Continuous data exports

Data visualization and combining with other data sources

Use to set goals

Use regularly

Think outside the box

Merge multiple operational reports for more robust reports

Before the credits roll...

Please share any final reflections or program successes in the chat!

**THANK
YOU!**
